**USAFE Request for Authorization to utilize NIS Material
in Unclassified Publication**

98

1. Attached is a request from Commander in Chief, USAFE, Wiesbaden, Germany, for authorization to treat as unclassified two subjects "(ENVIRONMENTAL FACTORS AFFECTING HEALTH AND DISEASES)" presented in NIS Sections 45 on NIS Areas 6 through 35.

2. In accordance with NIS policy this request is referred to your Office as Coordinator of NIS Sections 45 to determine the position of the producer of these sections with respect to granting the requested authorization. It is noted that an information copy of this request was sent to the Surgeon General, U.S. Army.

3. This Office is retaining the action copy of this message and will prepare the reply thereto for transmittal to Air Force through OCR. Your early attention to this matter, and notification to this Office of decision reached, will be appreciated.
